

Summer Workshop for Educators

July 11th – 14th

Smith College Campus School | Northampton, MA 01063

Tuition \$550

We believe that to truly effect change we must learn methods and strategies that nurture our personal development while also deepening our awareness and understanding of the systems in which we serve.

Student Discount & Scholarships Available
Contact: Chrissy@courageofcare.org

At this workshop educators will come together to learn theory and methods for realizing our collective vision for a more **caring** and **connected educational system**.

Come together with fellow educators to learn knowledge and tools for:

- avoiding burnout and empathy fatigue
- cultivating attention, empathy, mindfulness and compassion
- building and sustaining caring, trusting communities
- building resilience
- organizing for change
