

## *The Embrace of Imperfection*

I now know why I was here  
It was simply meant to be

I walked this path with my teacher  
And behold my teacher is within me

Even though I may never meet again,  
your beautiful presence in person  
Our moments of connectedness is  
enough for my heart to open

Only through feeling Loss, Loss, Loss  
when we prepared to say good-bye  
Was I able to see that love connects  
Every Thing, even when we die

Your tender words have so deeply  
touched my sacred feminine  
My body has come alive with music  
once forgotten

Akhilanda Goddess of Never Not Broken

This is how I feel; this is what you've done  
You've helped me to fall in love, with never-not-broken  
As I turn towards all the little wounds and gently lick open their eyes  
I allow my awareness to see and understand their disguise

And what I learn with an open heart and when the light comes in  
It's only sacredness I taste, and can embrace from within

This is what I mean, when I say I Love You  
Thank you for being here in such a profoundly healing way  
It's a mystery for sure, that's all I can say

Thank you for opening your beautiful hearts.  
With Love and Gratitude,  
Chelsea
